With membership in TAA, you are not alone.

You become part of a diverse community of textbook and academic authors with similar interests and goals.

“Being an author is an individual endeavor. One of the things I appreciate about being a TAA member is the opportunity to network with other authors.”

— Al Trujillo, Earth Sciences Author

“TAA provides a welcoming, inclusive platform for brand new novice writers as well as seasoned professional writers, removing many of the mysteries and myths, and providing high level tools and expertise.”

— Lydia Daniels, Senior Adjunct Professor, Golden State University
